Career Objective

An ambitious Computer Science and Engineering student passionate about Artificial Intelligence and Machine Learning, with a strong desire to engage in applied research, explore technological innovations, and contribute meaningfully to real world intelligent and data driven solutions in this transformative domain.

Education

K S Rangasamy College of Technology, B.E. CSE(Artificial Intelligence and Machine Learning) 2023 - 2027
- CGPA: 7.79 (Until 5th semester)

Adharsh Vidhyalaya Matric Higher Secondary School, HSC 2023
- 78.83%

Adharsh Vidhyalaya Matric Higher Secondary School, SSLC 2021
- 100

Technical Skills

- **Languages & Tools:** Python, Java, GitHub, VS Code, C, Power BI, Tableau, Kaggle,RPA(Uipath)
- **Web & Database Technologies:** HTML, CSS, JavaScript, SQL
- **Libraries & Frameworks React:** OpenCV, NumPy, Pandas

Internship

AICTE, Virtual Internship in AI-ML July 2025 – Sept 2025
Remote (Online)
- Completed a virtual internship focused on AI/ML concepts, including model training and data analysis. Gained hands-on experience using beginner-friendly tools like Google Colab and Weka.

Projects

Sentrix AI – Women Safety Threat Detection System
- Built an AI platform to detect distress and cyber threats and send SOS alerts with real-time location.
  Tools: Python, Flask, NLP, Speech Emotion Recognition, Firebase, HTML, CSS

Teacher Teaching Monitoring System
- Built a secure web based system to prevent fake attendance using face recognition and automated late tracking.
  Tools: Python, Flask, OpenCV, Whisper, SQL, HTML, CSS

Extra-Curricular Activities

Infosys Springboard Pragati:Path to Future (Cohort 4)
Active Participant — Engaged in technical workshops, public speaking sessions, and industry led training modules.

Internshala Student Partner Program
Student Representative — Promoted internship opportunities and certification programs among peers.

Contributor, Hope's Tapestry Anthology
Publication — Contributed original written work published by Let's Write Publication in collaboration with K.S. Rangasamy College of Technology.

First Prize – Drawing Competition, Energy Conservation Week 2024
Awardee — Secured first place in a competition organized by The Institution of Engineers (India), Salem Local Centre.

Certifications

- **NPTEL:** Practical Cybersecurity for Cybersecurity Practitioner - 90%,
- Design Thinking Primer - 65%
- Introduction to Industry 4.0 & Industrial IoT-66%
- English Language for Competitive Exams-75%
- **Global Certifications:** Oracle Cloud Infrastructure 2025 Certified Al Foundation Associate - 93%
- Al Foundation Associate-95%

Languages

English (Fluent), Tamil (Professional), Hindi (Native), Urdu (Native)
